

Privacy Policy

Our Policy applies to Online Services that we own or operate and that contain a link to this Privacy Policy. Our Policy does not apply to information collected through other means such as by telephone, via Online Services that do not link to this Privacy Policy, or in person, although that information may be protected by other privacy policies.

Our Policy does not apply to the practices of other companies or other websites or software applications that may be linked from or made available through our Online Services.

The inclusion of a link on our Online Services or the ability to utilize a third-party website or software application through our Online Services does not imply that we endorse, or otherwise monitor the privacy or security practices of that third-party website or software application or the accuracy of its content, and your use of the third-party website or software application is governed by the third-party's privacy policy.

This Privacy Policy is not intended to and does not create any contractual or other legal rights in or on behalf of any party.
